

ESLRS

PRE-SCHOOL

EXPECTED SCHOOLWIDE LEARNING RESULTS

The preschool students of the Armenian Sisters' Academy are expected to:

1

Language:

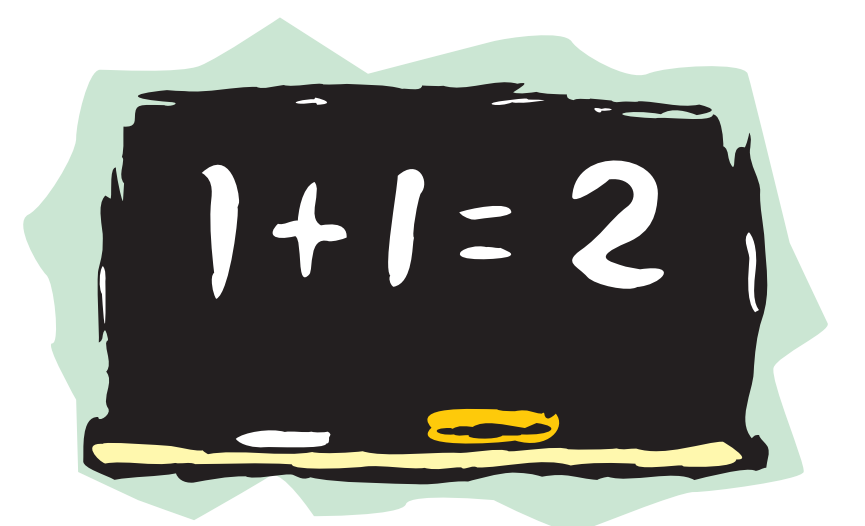

have pre-reading and pre-writing skills in English and Armenian.

2

Mathematics:

know numbers and shapes, be able to count by rote, and match numbers and shapes to sets of objects.

3

Science:

use their senses to observe, describe and compare objects.

4

Creative Arts:

express themselves creatively through the arts and music.

5

Social/Emotional:

to develop healthy emotional skills by cooperating, helping problem solving and following rules.

6

Physical/Health:

Use large muscles by running, jumping and balancing; develop small muscles by using scissors, building blocks and holding a writing instrument; wash their hands properly throughout the day.
