

How to install SchoolMessenger apps on portable devices

- 1) From your preferred devices search for **SchoolMessenger infoCenter** app

Note: click for the direct link to the site.

- 2) Select “new User” and signup with your email and Password.

Note: passwords should have 1 uppercase letter and numbers included.

- 3) Once submitted you will receive a confirmation request in your email.
- 4) Open and click on the link provided to confirm.
- 5) Try to login from app’s main page.
